4. Each tender must be accompanied by a deposit of Rs. in cash or Government promissory notes, as earnest money, and be superscribed "Tender for restoring and improving the Sulekere Tank," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The intending contractors should state in their tenders what reduction in the rates for earthwork to the bund they are prepared to make if tramway rails and trucks are supplied to them for carrying earth.

V. H. KARVE, L. C. E.,  
Executive Engineer.
